Geek Code

For I haven't got plenty of spare time at the moment, here's not more than my geek code

```
-----BEGIN GEEK CODE BLOCK-----  
Version: 3.12  
GCS d- s: a-- C++ UL+++ P++ L+++ E--- W++ N++ w--  
O- PGP++ t+ 5 X- !tv b+++ DI  
G++ e* h---- r+++ x++++  
-----END GEEK CODE BLOCK-----
```

Translation available [here](#).

More information about geek codes available [here](#).
