

Homepage of Johannes Franken

Here you will find my publications on network-, security- and Unix-topics:

- [lecture notes](#), elaborations and training materials
- extracts of my [textbook on DNS](#)

and details on my private life:

- [hobbies](#)
- some [older pictures](#), with me standing either in front of or behind the camera.
- my collection of [funny things](#)

If you are planning to support me in terms of money or to commission me, you might also want to check

- my [wishlist](#) at Amazon
- the good arguments ([knowledge](#), [CV](#))
- my [PGP-keyring](#) (for email-encryption)
